

Bouzouki

SIBZ100
Irish Style

SIBZ200
Sakis Greek

The Bouzouki is one of the most important string instruments of Greek music. Our original Greek model from the Sakis workshop is tuned to Gg-dd´-aa-d´d´´.

The other type is built like the Irish Mandolin and has a flat body. It is perfect for every kind of folk music. Tuning and mensur correspond to the Greek example.
