

# Recorder

**BLBF101:** available with German or baroque fingering, with or without double hole.

**Moeck School Recorder Soprano:** with German or baroque fingering. The model made from light Maple wood has a pithy sound, whereas the model from dark Pear wood is more sonorous.

### School Recorder Soprano “Flauto 1 plus”

Blue: Baroque fingering

Red: German fingering

This is the most popular school recorder for kids. The head is made from washable plastic. Beautiful timbre.

**Adris Dream Flute:** This beautiful flute is easy to blow, has a clear sound, and has a naturally attractive appearance. The flute is available with German or baroque fingering. You can choose from blue, red or natural wood.

**Schneider Recorder:** more pithy tone, German or baroque fingering; from cherry wood
